¡Adelante! Latinx Leadership Program

When you join **¡Adelante!**, you are making the first step toward becoming a leader! This comprehensive two-year leadership program supports the success of students interested in Latinx issues. You will receive:

- **Intensive mentoring** from professors, staff, and peer success coaches to ensure that you will reach your academic and career goals
- **Access to networking and leadership opportunities** on and off campus
- **Ongoing coaching to earn internships, on-campus jobs, scholarships, and other special opportunities**

To become an ¡Adelante! leader, select one of the following options:

Start July 16–August 20

Dive into your ¡Adelante! experience early by taking a summer math course (only open to students who place into MAT 105-College Algebra).

Start August 5–8

Prepare to excel in college in a FREE four-day summer program that will develop your leadership skills, connect you with classmates and professors, and give you a first-hand look at your new home at John Jay!

Start in the fall semester

Enroll in an ¡Adelante! Latina/o Studies (LLS 100) First Year Seminar course at your Academic Advisement session and get started on your leadership journey in the fall.
